

Nursery Catch-Up

Week Beginning: 2nd October 2017

<p>Personal, Social and Emotional Development/Communication and language/Physical.</p> 	<p>The children have been especially interested in the natural world and have been collecting conkers and leaves around the garden. This week we will go on an 'Autumn Walk' around the garden and take photos of leaves and signs of Autumn inspired by the artist David Hockney. We will be creating a Nursery canvas to be displayed in Sutton Library (dates to follow) with other schools in the Sutton Education Trust. Please encourage your child to look at the natural world on their way to school. If your child wishes to bring in any natural objects they can add them to our Autumn table.</p> <p>We are learning how to put on our coats, shoes and wellies. Please support your child to put on and take off their shoes and coats at home.</p>
<p>Home Learning</p>	<p>Thank you to those who have started to bring in 'My Family' sheets. Please continue to bring these in so your children can share them with the class. Please encourage your child to put them in the red show and tell box.</p>
