

Thank you Mrs Vale and Mrs Appleton for making Olivia's reception year so memorable. She has learnt so much and grown because of you and your hard work, this is reflected in her lovely report. Thank you for making her school start so amazing.

Thea has read lots since lockdown but we haven't recorded it! She loves her Usbourne 'My reading library' and 'Reading Collection'. Books she has read include: The King's Pudding, Alice in Wonderland, Beauty and the Beast, The Little Mermaid, The Story of Chocolate, The Twelve Dancing Princesses, The Wind in the Willows, Coco Chanel: Little People, Big Dreams, The Railway Children.

By the way she gave school 'a million out of ten' today.

Thea – Panda Class 04/09/20

Comments from Families

The nursery is so warm and welcoming with wonderful staff who clearly care about the children and their development. My son runs in every morning excited to be there and loves the range of inside and outside activities they do.

The Reception classes are warm, inviting and vibrant. The staff and the environments are welcoming and show a great love of learning. Children are encouraged to be curious, respectful and independent. My daughter loved every minute. A fantastic start to her school journey

Jaguars classroom is amazing. Ethan settled in from day one, he has always been excited to go to school to see his friends and teachers. Ethan has really excelled in Jaguars and that really is down to the way of their teaching. Jaguars is a fun class and really has met the children's needs. Any child going into Jaguars I am sure will enjoy their year.

We will Miss Mrs Qazi and Ms Wenham very much.

Beddington Infants has given both my children the best start to their education. The school's ethos promotes independence and a love of learning that is highly commendable. The focus on outdoor learning and their free flow nature allows my children to learn in a fun and relaxed environment. As my son leaves year 2, he has made solid friendships, adored his teachers and is totally prepared both emotionally and academically to begin his new school journey at Holy Trinity. We are so grateful for all the support and excellent teaching we have received and to Miss Kearney for being such a passionate and friendly head teacher! Thank you!

Comments from Families

Beddington Infants has worked in partnership with our family to ensure that the provision in our sons Education Health Care Plan was fully met. Communication was excellent and the child centred approach of the school allowed him to make good progress while maintaining a safe and nurturing environment. We could not have asked nor expected for anything more than what was provided for our son. Thank you.

I cannot thank Beddington Infants' more. An amazing school, amazing teachers and amazingly supportive.

Charlotte Unsworth (Ralph Johns)

Beddington Infants created a safe and effective learning environment. For me it is great when I can really see that my child's teacher is excited and passionate about their job. All the teachers and staff at Beddington Infants go above and beyond. My eldest child who has moved on to junior school still talks about her time at Beddington Infants. The school understands parents have demanding schedules but just a little bit of time spent in school doing learning together sessions can go a long way. My children are always happy to come to school. Thank you so much Beddington Infants.

Alexa Robertson (Scarlett, Cole and Sofia)

My son Lewis has had the best time at Beddington Infants! All teachers and staff have been so kind. He has never had a bad experience. He joined in nursery and throughout the years I could not fault any of it. He enjoyed going to school every day! Thank you to everyone that has helped Lewis during his time here. I cannot believe it is time for him to move on. I will forever be grateful for the hard work all the teachers and staff put in. Lewis has learnt so much and is looking forward to his new school. Thank you :)

My son Daniel has just finished year 2 at Beddington Infants and has always loved it here. I have seen his confidence blossom here and I know he will miss it now he is moving on. He has made some great friends and learnt so much. Thank you BI!

K.L. Oliver

Coming from another country with different education system we didn't know what to expect. But from the first parents meeting we had a good feeling about the school. Povilas was extremely happy to meet his new friends and teachers. It was a bit of a challenge language wise but Povilas got so much help and support which helped him with his confidence a lot. We would like to thank every single staff member of Beddington Infants' school for the amazing job you've done! You are FANTASTIC! Viktorija Zaveckyte
