Curriculum

This is Me!

Next week we will be celebrating ourselves and our heritage through our 'This is Me!' Dress up day! Whether it means dressing up as your favourite superhero or pet, we will be celebrating all the things which make us, us! We will be talking about all the things we enjoy and what makes us all valuable individuals. Through the sound of music we will be learning to sing in groups and match tempo. We will also be exploring the school grounds whilst learning the value of nature and exploring the world around us.

At home you can.. discuss all the things your child enjoys and what makes them special and unique. This will help come up with a great idea for the Dress up day!

English Communication and Language

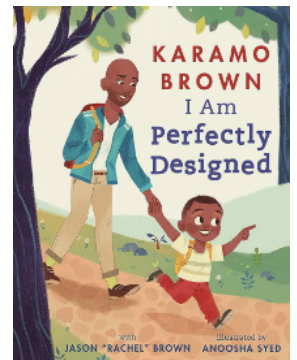

Next week we will be reading 'I am Perfectly Designed' by Karamo Brown. We will discuss the characters from the book and this will help us to talk about our own self-descriptions. We will then draw portraits and label these.

At home you can.....

- practise writing the graphemes 's' and 'a'.

Maths

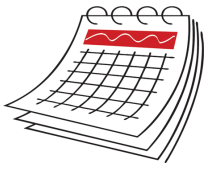

Next week we will match objects to their correct numeral. We will focus on numbers within 10 and we will represent these in different ways. For example, for the number 5 we could draw 5 cats.

At home you can.....
-Practise forming your numbers correctly (1-10)
