Home Learning

Bug Club e-books

Don't forget to log into Bug Club online. New books have been uploaded today! New books will be uploaded every Friday.

Don't forget to re-read books in your child's library. Re-reading books is great to develop fluency when reading. This encourages children to read by sight instead of sounding out.

Maths Games

Today your child has received a new Maths game to play at home. This is to promote a love for Maths and to practise key skills in a practical way.

Games are handed out every **Friday**. *Games must be returned on Wednesday*. We cannot give your child a new game unless they return their previous game.

Small Schools Challenge

Your child has received their **small schools pack**. This pack stays at home until July 2024. A challenge will be uploaded on the newsletter every week.

This weeks challenge:

Buried Treasure

In phonics we have sorted real and pseudo words (fake words). You can play this free game online. Practise reading words with digraphs: **sh ch th ng ai ee igh**
