

Reception Curriculum Letter Summer 2024

Thursday 28th March

Creep, Crawl and Wriggle

Hedgehog Class, Jaguars Class, Kangaroo Class

Curriculum

Our topic this term is 'Creep, Crawl and Wriggle'. The focus will be on painting butterflies and we will discuss the symmetry on a butterfly's wings.

During Earth Awareness, we will be planting seeds! We will plant our seeds in different locations around our outdoor environment and track their growth.

At home you can..

- use materials to create a butterfly
- go on a bug hunt
- draw pictures of bugs

English Communication and Language

We're going on a bee hunt. Over the next few weeks we will search for bees in our outdoor classroom. We will write a recount of our bee hunt.

During week 1 we will draw and label features of a bee.

At home you can..

- draw and label bugs in your garden.

Maths

On our first week back in Summer we will be focusing on counting verbally to 20. We will be looking at number patterns whilst counting.

At home you can.....

- Count to 20 verbally
- Count 20 objects in the house

Dates for the term

15th April - INSET day for staff - no school for children

16th April - Back to school for children

Reminders

Reminders!

Looking for Recycled Materials

egg boxes

Home Learning

Bug Club e-books

Don't forget to log into Bug Club online. New books have been uploaded today! New books will be uploaded every Friday.

Don't forget to re-read books in your child's library. Re-reading books is great to develop fluency when reading. This encourages children to read by sight instead of sounding out.

Maths Games

Today your child has received a new Maths game to play at home. This is to promote a love for Maths and to practise key skills in a practical way.

Games are handed out every **Friday**. *Games must be returned on Wednesday*. We cannot give your child a new game unless they return their previous game.

Small Schools Challenge

Your child has received their **small schools pack**. This pack stays at home until July 2024. A challenge will be uploaded on the newsletter every week.

This weeks challenge:

Create a Number Line to 20

You will need:

- paper
- pens

Use paper to create your own number line to 20 and beyond. An example is attached below.

Thank you, the Reception Team
