

Spring Nursery Curriculum Letter

Friday 21st June 2024

Growth and Creatures

Bear Cubs,

Fox Cubs,

Lion Cubs

We had so much fun on our sports day, thank you for coming along and joining in the fun!

Curriculum

We will be learning about specific jobs when we have special visitors to speak with us about what their job entails.

Literacy Communication and Language

We will create a list of questions we would like to ask our special guests about their jobs. We will take turns to ask our questions and listen carefully to the answers.

Phonics

We will keep practising **s a t p i n m d g o** and learn how to hear, say and write **c & k**

Maths

We will return to numbers and continue finding new ways to practise counting out a matching number of objects to numerals 6, 10 or maybe even more!

Physical Development

Development of ongoing skills such as:

Start taking part in some group activities which they make up themselves, or in teams
Choose the right resources to carry out their own plan. E.g. choosing a spade to enlarge a small hole they dug with a trowel

Collaborate with others to manage large items, such as moving a long plank safely, carrying large hollow blocks

Make healthy choices about food, drink, activity & tooth brushing

Dates for the term

9th July - Welcome meeting for families moving up to Reception

10th July- Meeting your new reception class and teachers

24th July - last day of term

As this is a half day for the whole school we have different timings for our sessions:

Bear Cubs - 8.45am - 10.45am **Lion Cubs** - 11.30am - 1.30pm **Fox Cubs** - 8.45am - 1.30pm

Reminders

Spray bottles - we would be grateful for any empty, unrequired spray bottles for our artwork, such as these:

Bedding plants - if you have any spare bedding plants, which we could add to our garden beds and plant pots to add a splash of colour, we would be extremely grateful!

Learning at home

Pavement art

Now that the weather is better you might like to decorate the pavement or patio with some chalk drawings. This type of artwork, on a big scale, helps to build the muscles in our arms, hands and fingers and then when it rains it all disappears so no cleaning required!

Online - There are several different fun games you can access via this link to the Cbeebies website

<https://www.bbc.co.uk/cbeebies/games/pablos-art-world-adventure-game?collection=free-cbeebies-games-for-kids>

BUG CLUB: The next book is

Thank you, the Nursery Team
Mrs Towner, Mrs Ludlam & Mrs Willmont
