

Spring Nursery Curriculum Letter

Friday 25th April 2025

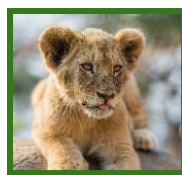

Growth and Creatures

Bear Cubs,

Fox Cubs,

Lion Cubs

It has been a busy week back! We had an exciting parcel in the post, have the children told you what has arrived?

Curriculum

We will settle our caterpillars into the Nursery. We will take daily photos to show their growth and we will find out what is going to happen next.

Literacy Communication and Language

We will continue to look at non-fiction books but now focus on books about caterpillars and butterflies.

Phonics

We will continue to explore individual letters **s** and **a** and also learn how to say and write the letter **t**.

Maths

We will compare amounts using the language **more than** and **less than**.

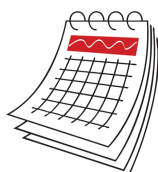

Physical Development

Development of ongoing skills such as:

- Start taking part in some group activities which they make up themselves, or in teams
- Choose the right resources to carry out their own plan. E.g. choosing a spade to enlarge a small hole they dug with a trowel
- Collaborate with others to manage large items, such as moving a long plank safely, carrying large hollow blocks
- Make healthy choices about food, drink, activity & tooth brushing

Dates for the term

Monday 5th May - Spring Bank Holiday

14th May - whole class photos

16th May - Earth day - children are invited to wear mufti for a small contribution

Week beginning 19th May Summer Learning Together bookable sessions times to be confirmed.

26th - 30th May - Half term holiday

19th June - Nursery sports day

10th July - Whole school open evening 3.30 - 4.00pm visiting current and new classrooms. 4.30 - 7.00pm bookable appointments if needed

22nd July - end of term

8.45-1.35 Fox Cubs, 8.45-10.45 Bear Cubs , 11.30-1.35 Lion Cubs

Reminders

Please ensure you have sent back the checked and topped up spares clothes bag.

Every child now needs a **summer hat which will stay at school**. If they are very attached to a new hat it might be worth getting two, one which we keep here and one for at home. Children can get very upset at leaving a favourite hat behind but if we let them take them home we risk days when they get forgotten.

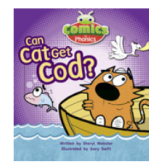

Learning at home

Jobs

Speak to your child about the different jobs people in your family do or have done. This term we will begin to find out about all the different things we do, this could be as exciting as a space explorer or simply the jobs that need doing around the home from shopping and cleaning to gardening and DIY!

Online - This is an activity linked to animals, you need to click and drag the answer boxes in order to hear the sound or for the word to be read, the children may need support with this as least to get started.

[Pairing for Early Science](#)

BUG CLUB: The next book is

Thank you, the Nursery Team
Mrs Towner, Mrs Ludlam & Mrs Willmont
