

Spring Nursery Curriculum Letter

Friday 13th June 2025

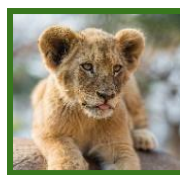

Growth and Creatures

Bear Cubs,

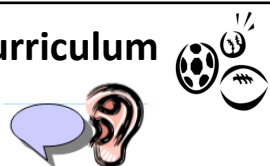

Fox Cubs,

Lion Cubs

We would like to wish all the Daddys a Happy Fathers Day for Sunday.

Curriculum

We will be finding out about different jobs grown ups might do.

We will be practising all the skills we will need to complete the sports day games.

Literacy Communication and Language

We will find out about what different jobs involve such as police, nurse, postman, shop worker, taxi driver.

Phonics

We will keep practising **s a t p i n** and learn how to hear, say and write **m**

Maths

We will continue to work with 3D shapes spheres, cubes, cuboids, cylinders and cones and look at comparing sizes, weights and finding everyday objects which are the same shape.

Physical Development

Development of ongoing skills such as:

Start taking part in some group activities which they make up themselves, or in teams
Choose the right resources to carry out their own plan. E.g. choosing a spade to enlarge a small hole they dug with a trowel

Collaborate with others to manage large items, such as moving a long plank safely, carrying large hollow blocks

Make healthy choices about food, drink, activity & tooth brushing

Reminders

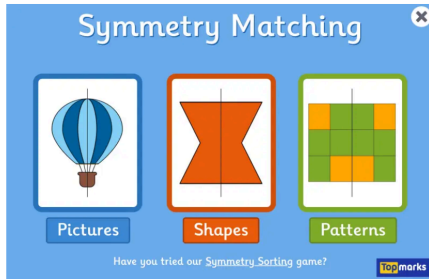

Jobs our parents do - if you would like to come and talk to the children about your job, we would welcome a visit. We could end a session with a short input, maybe including wearing a uniform if you have one, a chat about what you do, possibly even some props to demonstrate elements of your role!

Learning at home

Learning about jobs

This week you might like to talk to your child about jobs that you, or other members of the family do or have done. Also, talk to your child about other jobs that are happening all around us. If you are at the supermarket explain the role of a shop assistant, if you visit the doctors or pharmacy can you explain the different roles people may have there.

Online - This is a lovely activity where the children can complete a symmetrical picture or shape.
